

Watch Party

Best Practices

- Book a conference room for group viewing - be sure to schedule the room for 1:10, this give you time to debrief after the Timeout
- Send out an all-company calendar invite
- Recruit a co-host/facilitator to lead the debrief
- Print the trueU Call to Action Guide and have available in the conference room
- Buy lunch for everyone (people will come for free food) OR invite participants to bring their lunch and provide dessert
